Date: 16.07.10

**Minutes of the meeting for the Budget Head Allocation for equipments proposed in
IN-HOUSE project proposals**

A meeting was held for allocation of fund received from CSIR, Hq on 16.7.10. The following members attended the meeting:

- Dr. Amalendu Sinha, Director, CIMFR
- Dr. P. Pal Roy, Sct. 'H' and Chairman, Prioritization Committee
- Dr. S.K. Srivastava, Sct. 'G' and Coordinator, DC
- Mr. Ashok Kujur, FAO
- Dr. V.K. Kalyani, Head, PME

The meeting was held to allocate the fund of Rs. 170 lakh received from CSIR, Hq for purchasing of equipment proposed in the In-house project proposals. The total requirement of fund of the institute for equipment proposed in the In-house projects was Rs. 478.57 lakh. However, CSIR has allocated Rs. 170 lacs which is nearly 2.8 times less than the required fund. As such, to formulate plausible solution, the committee after necessary discussions with D'CIMFR, proposed to purchase a few equipment from LR fund besides the fund received from CSIR Hq. The decision of the committee is listed in Annexure - 1.

P. Pal Roy,
Scientist 'H',
Chairman, Prioritization Committee

V.K. Kalyani
HEAD, PME

Submitted to Director, CIMFR for kind approval.
